

Welcome Back

Dear Parents and 2nd graders,

My name is Miss Skyla and I am beyond excited for this year! This is my third year at CREECS and my second year teaching 2nd grade. This upcoming year we are going to have a blast developing our reading skills together! I love more than anything to have fun while learning so be ready for lots of exciting activities that will make your brain grow and grow.

When I am not hanging out with all you cool cats you can find me running, hiking, surfing or hanging out with my dogs Penny and Winston. This summer I went on a huge cross country trip and had many adventures in the mountains that I can't wait to share with you!

I look forward to seeing all your smiling faces and hearing about your own summer fun adventures!

Love,

Miss Skyla
