

WELCOME TO 5K AT CREECS!

Hello Families!

My name is Rosie Carter. I am the new Kindergarten Teacher at CREECS! I graduated from the University of South Carolina with an Undergraduate degree in Early Childhood Education. I was in the Kappa Delta Sorority, where I held several executive positions over 3 years. I was born and raised in Mt. Pleasant and have grown up coming to McClellanville since I was nine-years-old. Through these years, I have fallen in love with the McClellanville community. I am SO excited to start off this school year with the CREECS family! I look forward to meeting all of you. It is going to be a fantastic year! If you need to contact me my email is Rcarter@CREECS.org
