**optional-* We read several novels as part of our reading curriculum. I'll have a copy of these novels for your child to read, but he or she will not be able to make any marks in the school's copy. It may be helpful for your child to underline or highlight key passages. Therefore, you may choose to purchase these novels so your child can have a personal copy:

Thunder Rolling in the Mountains by Scott O'Dell and E. Hall

The Phantom Tollbooth by Norton Juster

The River between Us by Richard Peck
