2. McClellanville Middle School

Terri Baldwin:

Biggest hurdle is the wastewater treatment system

The plan that TJ Johnson proposed was shut down by DHEC.

In May, CCSD will be handing over the treatment system to the Gullah Geechee organization that the building was given to.

To date, Terri has been unsuccessful in speaking to/ contacting anyone affiliated with them to see if they would be interested in sharing the cost/maintenance associated with the system.

HVAC is very old and we would need to assess that. This would be a huge cost.

The Board agrees that this building is not a good fit for us right now. Margaret Crouch/ Terri Baldwin will contact the town and let them know that we cannot make this happen for now.

Adjournment

Cam Cooper makes a motion to adjourn at 6:46 pm. Terri Baldwin seconds and all agree. Meeting adjourned at 6:46 pm.

Respectfully Submitted,

Joanna T. McClellan
