

Meet the EE teacher

Ms. Allie Purvis

My name is Ms. Allie. I teach environmental education to 3rd through 8th grade. I will see you two or three days per week!

We'll be outside a lot during EE. We will care for the animals, garden, explore the marsh, and more. Please always wear clothes and shoes you don't mind getting a little dirty on EE days!

A bit about me!

I graduated with a biology degree from University of Kentucky and a Master's of Marine Biology from College of Charleston. I've been at CREECS for 8 years and love it!

At school you'll find me...

Fixing chromebooks, caring for the animals, or working outside in the garden.

When i'm not at school you might find me....

In the water: at the beach, pool, or SCUBA diving!

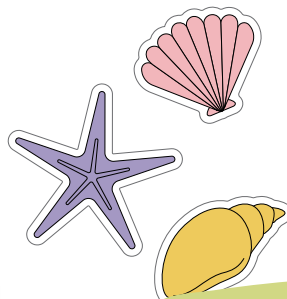

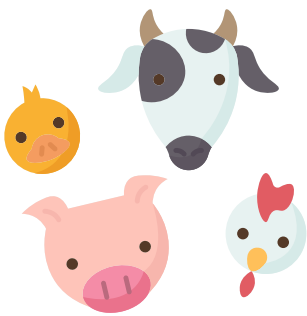

Fun facts

Favourite colour: ocean blue

Favourite animal: manatees

Favourite food: tacos

Favourite subject: science & math

Should you have any questions or concerns, please feel free to contact me at:
