

Dear Student and Parent(s)/Guardian(s),

My name is Miss Amber, and I am excited to be your new Physical Education teacher at CREECS. This year is going to be a great school year full of fun, learning, and lots of physical activities. I can't wait to see what this year has in store for us!

Here is a little bit about me. I have lived in McClellanville most of my life. I graduated from the University of South Carolina in 2015 with a bachelor degree in Biological Sciences. I enjoy sports, spending time with family and friends, and all things outdoors! This will be my third year at CREECS. Previously, I was a long-term sub in Kindergarten, Special Education Aide for a year, and a sub for Physical Education last year. This will be my first year as the Physical Education teacher and I couldn't be more excited! I am so happy to be a part of the CREECS family again this year.

My goal is to provide the skills and opportunities for students to learn and develop an appreciation towards a lifetime of physical activity. They will gain knowledge of physical education, and engage in a variety of individual and team activities, sports, and challenges that will increase their physical, social, and mental abilities, as well as teamwork and cooperation skills. Students will be required to participate with a good attitude and give 100% effort in each activity, everyday. If they need to be excused from fitness activities, please provide a note explaining why, and the date when the student will be able to rejoin participation in class. Students must have a pair of gym shoes and are highly encouraged to bring a water bottle.

Please let me know if you have any questions, concerns, or any information that might help me better work with your student. You can reach me anytime through email at awilliams@creecs.org.

Thank you to the student for participating in Physical Education and to the parent(s)/guardian(s) for allowing me the opportunity to teach your student! I look forward to a wonderful school year together!

Sincerely,
Miss Amber Williams
(Physical Education Teacher)
